

**WISE**

**One-day program**

**JUNIOR CLIENT-FACING  
PROFESSIONAL**

**Do you feel that the beginning of your career sets the trajectory for the rest of it? We agree, these are the years when you create your **professional image** and you cannot afford to fail.**

## **During this one-day training session you will learn how to:**

- ① Create the right first impression and sustain it
- ② Show your credibility
- ③ Build and deliver a message with impact
- ④ Pitch successfully
- ⑤ Project confidence and credibility
- ⑥ Address senior executives
- ⑦ Create effective presentations and supporting materials
- ⑧ Build the right network

Other elements can be added depending on individual requests.
