

**WISE**

**Two-day program**

**SENIOR CLIENT-FACING  
PROFESSIONAL**

# Have you been a manager for quite some time and you would like to **accelerate your career?**

Do you feel you need to brush up on some of your skills and add a few new ones? Are you preparing for a larger role or a position in general management? If your answer to any of the above is yes, then this is for you.

## Overview

### Day 1

#### FIRST IMPRESSIONS AND THEIR LASTING IMPACT

During the first day you will learn what assessments are triggered by what behaviors. You will learn how to show your credibility so it is instantaneously apparent. You will find out all the secrets of body language, how your voice influences the audience and how eye contact builds / or ruins rapport. You will learn how to manage your stress and how to gain gravitas.

### Day 2

#### DERAILERS AND STRUCTURE

The second day deals with all the mistakes we make while speaking, presenting or pitching. You will find out what communication structure works best, how to excel at spontaneous speeches and how to prepare and deliver planned presentations. You will practice your pitch and discover secrets of professional speakers and presenters.

The program can be customized to meet your personal and professional objectives. There is a free set up meeting prior to the sessions to establish these.
